

VOLUNTEER WITH US

Patient and Family Care

Provide basic comfort and companionship to patients and their families at their homes, assisted living communities, skilled nursing facilities, and our residential facilities, Macky & Pam Stansell House in Ocean Pines and Coastal Hospice at the Lake in Salisbury. **We request a minimum of 10 volunteer hours a month.**

Staff and Office Support

Assist with basic office duties, including but not limited to assembling materials for patients, copying, filing, mailing, and making phone calls. Volunteers may also assist with health fairs or community events as needed.

Thrift Shop

Assist staff in greeting customers, creating displays, merchandising, and operating point-of-sale systems for transactions.

We Honor Veterans

Veteran Volunteers engage with veteran patients by conducting a dignified and meaningful Final Salute ceremony, which includes the presentation of a personalized certificate and a handmade blanket in honor of their faithful military service to our country.

Bereavement Support

Provide emotional support and assistance during the 13 months following the hospice patient's death.

Spiritual Support

Provide compassionate, non-denominational spiritual presence and companionship to patients and families through phone calls and mailings.

Pet Therapy

Provide pet therapy to patients at our inpatient facility, Coastal Hospice at the Lake, and our residential facility, Macky & Pam Stansell House. To learn more about certification requirements, please reach out to Volunteer Services.

Fundraising Champion

Assist in organizing or supporting fundraising events that generate vital resources for hospice care. These efforts directly impact the lives of patients and families facing end-of-life journeys.

Green Thumb Gardener

Share your love of nature by tending to our hospice gardens, creating peaceful and beautiful spaces for reflection and healing, and bringing comfort to patients and their loved ones.
